#### Talent Show

Four friends perform their best acts for the end of school year talent show. Find the act each friend performs.

1. Amanda, her sister who is doing the magic show, Mike, and the boy who will read poetry all perform last.
2. Amanda cannot play the piano.

|        | Sing a solo | Magic show | Play piano | Poetry reading |
|--------|-------------|------------|------------|----------------|
| Amanda |             |            |            |                |
| Mike   |             |            |            |                |
| Lisa   |             |            |            |                |
| Brett  |             |            |            |                |

### Quick Quiz

Use THREE plus signs (+) and ONE minus mark (-) between the numbers to equal 100.  
Do not change the order of the numbers!

$$9\ 8\ 7\ 6\ 5\ 4\ 3\ 2\ 1 = 100$$
