

## Perplexing Puzzle

Ryan was visiting the animals at the zoo. He started at the monkey's cage. Then he walked down the hill 3 cages to see the birds. The birds are in the first cage in the zoo. Then he went up the hill 7 cages to see the seals. From there Ryan went down the hill 5 cages to see the bears. Next he went back up the hill 8 cages to see the elephants, who are the last cage in the zoo. How many total cages are there in the zoo?

#### Monthly Haircuts

The four children in the Richards' family all get their haircut on the same day at the same salon by different stylists. Cut through the clues to find who trims each child's hair.

1. Bailey, and the boy seeing Kirk, the girl seeing Terry, and Ben go to the same stylist each time they go.
2. Ben didn't have George cut his hair.
